PharmaTherm Ltd 'Rental Conditions Europe'

Please Note!

PharmaTherm Ltd needs this signed 'Rental Conditions Europe' form together with purchase order prior to equipment shipping

1. Rental Period:

- For EU countries, the minimum rental period is one week
- For Non-EU-countries, the minimum rental period is four weeks in general
- The first charged rental week is the week the equipment arrives at the below mentioned shipping address.
- The last charged rental week is the week the equipment arrives back in our PharmaTherm Ltd Office

2. Rental Order:

- PharmaTherm Ltd needs a written purchase order minimum 2 weeks before the system is needed. Otherwise PharmaTherm Ltd cannot guarantee to ship the system in time
- PharmaTherm Ltd needs this 'Rental Conditions Europe' form signed together with the purchase order prior to delivery

3. Rental Rates and Pricing:

- See attached quote or rental information sheet
- Invoice will be sent after the equipment is shipped

4. Shipping, Handling and Installation:

- The customer is responsible for shipping charges to and from their facility

- PharmaTherm Ltd ship via UPS. It is highly recommended to return the equipment with a recognized carrier using a track and trace system.
- The customer agrees that PharmaTherm Ltd is not responsible for the use and installation of the equipment. The customer agrees that the operation and training for the use of the equipment software system is not the responsibility of Pharmatherm Ltd.
- The minimum computer requirement specification are 166 MHz, 32 MB RAM, Windows 95, and one unused serial port.

5. Return of Equipment:

- The equipment has to be sent back to the PharmaTherm Ltd office at the above address
- Together with the equipment the customer will receive a detailed check list with **all** items which will be delivered. This list has to be used for immediate checking of the shipment. Before the units will be returned to PharmaTherm Ltd use this list to send back all equipment delivered. Any items not returned to PharmaTherm Ltd will be charged for
- The customer agrees, that PharmaTherm Ltd can use the original purchase order number for any additional invoices. The equipment must be returned in its original packing containers or cases.

6. Insurance:

- The customer agrees to insure the risk of loss or damage of the equipment while the equipment is in transit or while the equipment is at the customer's facility
- The customer agrees to exercise due and ordinary care in the placement, use, maintenance, storage, and accessibility of the equipment at their facility so as to ensure its safety and proper functioning.

7. Liability for Damage to Equipment:

- The customer will return the equipment at the end of the rental period in good condition with no excessive wear and use.
- The customer will be responsible for all charges incurred by PharmaTherm Ltd to service and repair the equipment to any excess wear and use. Excess wear and use includes:
 - i) Physical damage to equipment broken or missing parts or accessories.
 - ii) Missing manuals or software.
 - iii) If the equipment does not work as represented.
 - iv) Or if the equipment is materially unsatisfactory for any other reason

Without full completion of this form the order cannot be proceeded.
